

February 6, 1976

appointed by the Governor from the general public, five members shall represent post secondary education in the state and those would be one member from the state university system appointed by and from the Board of Regents of the University of Nebraska, one member from the State College system appointed by and from the State Board of Trustees, one member from the community college area appointed by the Governor with the advice of the area boards, one member from the governing board of the independent colleges of this state appointed by the Governor with the advice of the independent colleges and one member who is owner shareholder or a board member of a proprietary school in this state appointed by the Governor with the advice of the proprietary schools. Such members shall be appointed to a two or three year terms, and either the State Commissioner of Education or one member from the State Department of Education appointed by such board who shall serve for three years. The thrust of the act is to have the Commission in a position to evaluate, to gather information and to make adequate recommendations in regard to coordination of higher education. Mr. Chairman, those would conclude my remarks at this time in terms of what the act does and I would ask that you would advance it to Select File. Read my amendment for the membership, will you?

PRESIDENT: Read the amendment, Mr. Clerk.

CLERK: It is as follows: Read amendment. See page 1787 for the Eighty-first Day, First Session.

SENATOR F. LEWIS: I would like to withdraw that amendment.

PRESIDENT: Is there an objection? The amendment is withdrawn. Read the next amendment.

CLERK: Mr. President, the new amendment that Senator Lewis just now offered is as follows: On page 2, line 2, after desirable....

PRESIDENT: Do you want that one withdrawn, too? Excuse me, Mr. Clerk. Senator Lewis.

SENATOR F. LEWIS: I believe Senator Warner had some amendments pending.

PRESIDENT: The Clerk takes them in his order. Mr. Clerk, proceed with the Senator Lewis amendment. Senator Lewis thought that Senator Warner had an amendment prior...prior? What is your pleasure, Senator Frank Lewis?

SENATOR F. LEWIS: Senator Warner had some pending and this is...

PRESIDENT: But you have the privilege of offering yours first because it is your bill. Do you want to exercise that privilege?

SENATOR F. LEWIS: No, I will go ahead and let him.

PRESIDENT: All right. Senator Warner's then.
